# PRESIDENT'S REPORT FEBRUARY 2024

---

Welcome members to another year in our club.

What a fantastic Christmas party we had as always.

It had great food prepared by our catering committee and their along with a couple helpers. Sharelle and her elves ensured the Christmas spirit was alive with our Christmas corner. Well done!

The Jane Johnstone memorial award for 2022/23 was proudly taken out by Megan Turner for her passion and commitment to the club. Well done Megan.

The prestigious award of Top Club Person award was taken out by the one and only Paul Irvin. Paul puts his heart and soul into this club and in the past 12 months he definitely stood up. Thank Paul for everything you do for the club and for being a top bloke.

Well done to Alan Darrell for organising some members to support legacy kids. I'm not sure how many turned up for this event I'm sure Alan will fill us all in. Last year's club runs were fantastic with a wide variety of events for us all and this year will be as big if not bigger from the way our run committee are talking. Looking forward to this year with all of you. I'm sure I have forgotten something. Here's to another year in this fantastic club.

# CLUB RUN ETIQUETTE

---

There is nothing better than sharing our love of cars with a group of likeminded enthusiasts out on the road, and we encourage all members to join us on our club runs. You can come along in any car, it doesn't need to be old, and it doesn't even need to be a Holden. It's about getting out as a group and enjoying each other's company, not about what we're driving.

However, there are a few simple protocols to ensure everyone has a good day...

- Always RSVP to the Run Coordinator and let them know if you change your mind. It's helpful to know how many are expected and saves the group waiting around for a no-show who's changed their mind.
- Listen to the pre-run briefing to get a basic understanding of the route and more importantly the destination. Blindly following the car in front is great - while they're there.
- If the weather forecast issued the night before a run is over 35 deg C, then the run will most likely be cancelled. Keep an eye on the App for any updates.
- Get to the departure point on time – or phone ahead if you're going to be late.
- Out on the road, work off the car behind, not the car in front. In other words, keep the car behind in your mirrors and adjust your speed accordingly. Don't try to catch up to the car ahead. This helps ensure the group stays together.
- Make sure the car behind has seen you when turning a corner - wait at the turn until the car indicates before continuing, then they will wait for the next car etc. Don't be concerned about losing contact with the car in front, as they should be looking out for you.
- Leave a reasonable gap between you and the car in front so that other motorists can overtake if they wish.
- If you're joining us on route, make sure the Run Coordinator knows of your pickup point to ensure we take that route. Also be ready to roll as the convoy approaches.
- We don't leave anyone stranded on the road - if you lose sight of the car behind, pull over and wait. If they don't appear, turn around to render assistance.
- Always follow the car in front. If you think they've taken a wrong turn then let's all take the wrong turn. It's better the club gets lost together than splits up in all directions – it also saves the person behind you having to make a split decision as to who they trust the most!
- Remember it's a club run, not a club race. If there's a tired old grey in front, so be it - enjoy it for what it is. Who cares if you're late in your 308.
- Generally, the return trip from the destination is up to you – but let the 'Run Coordinator' know when you're heading off.
