President's Report June 2024

G'day everyone I hope you all have been getting your cars' out and about while we have been having a great run with the weather. I think the winter weather is upon us now and we will need to make the most of any good weather.

Just a quick reminder our club fees have gone up by ten dollars across the board. Club fees are due on 1 July 2024. Thank you all for your understanding.

Our Club Working Bee went well. We were able to take care of all the little jobs. Thank you to those who came along for the few hours that was needed.

Thanks to Wayne Burrige for running the May Club Run it was a most enjoyable day. If anyone has any ideas for a club event please speak to a committee member. You can either run the event or one of us will run it for you. Any idea is a good idea!

As most of you would know we have been trying to get a new roof on the club rooms for many years. The council has appointed a project manager for the airport precinct who has been in contact with me asking what we might need. At this stage it is a survey of needs so I put forward everything we currently have on the wish list; spouting, a new roof, solar system, lighting around the buildings and the road with the huge pot holes to be fixed. I can see a long journey to an outcome . Let's hope I'm wrong.

Our AGM is approaching fast if anyone would like a role on the committee big or small please speak to a committee member.

Thank you all and I hope you are enjoying what our great club has to offer.

Club Run May 2024

After meeting up at the BP Truck Stop and accounting for our members, we headed off towards Miners Rest.

The mist in the air made rain look inevitable. We headed towards Creswick with wipers on and off. After turning right at the roundabout, we proceeded to Daylesford everyone appeared to be following club rules looking in the rear vision mirror. We then caught up with Graeme at Blampied.

As we proceeded through Daylesford the Sunday Market appeared to be very busy. After turning into Malmsbury Road with drizzle now abating we drove towards and through Lauriston and proceeded to Kyneton.

I found a car park for our members and we walked across the road to the bakery, where we meet up with Jarrod a new member from Maryborough. We lined up for coffee and the enormous amount of sweets cakes and slices. (maybe a pie or a hashbrown).

Everyone had an hour or so to move around the town, groups moving in different directions looking at or in shops. (ask Hendo what he spotted in the antique shop full of signs). At 12.20pm we all met up in the car park in Hutton Street to proceed to Woodend via Carlsruhe's central road. Well most of us, others went on the Calder Freeway.

On approaching Woodend we proceeded through the Avenue of Honour, autumn leaves falling from the trees. We then moved on to Woodend to the Holgate Brewery where we found car parking spots, most of us in a side street near the Pub. We sat down in the tap room and ordered our food and drinks. The food I thought was very good. Eating and talking for an hour and a half before heading home after a great day.

Thanks to our members.

Club Rooms Working Bee

A bunch of eager workers arrived for the working bee at the club rooms on what was supposed to be a rainy day. The weather was kind to us as we set out to clean out, throwing out, and shift materials out of the back room to the shed.

Thanks to James and Crew. We now have a back room that is tidier and more user friendly.

Also thanks to Sarah for taking charge of the tidying of the merchandise room. It is looking fantastic!

Outside the paves, deck and steps cleaned and a moss treatment applied. The back shed was fitted with a new cupboard and the old shelving was removed.

The new BBQ trailer now has a home. After a few attempts it fits in the shed. We were able to modify the gate mesh to allow the drawbar through the gate.

After the BBQ housing all that was left to do was to secure the trailer and mower with chains and locks, and fix the lock on the back gate.

A job well done by the Crew to make it easier and tidier for our club members to enjoy our great Clubrooms.

Thanks once again to all our helpers on the day.

Alan, Jeff, Clint, Sarah, Paul, Bernie, Hendo, Scott, Tom, Joe and James.

Well done.

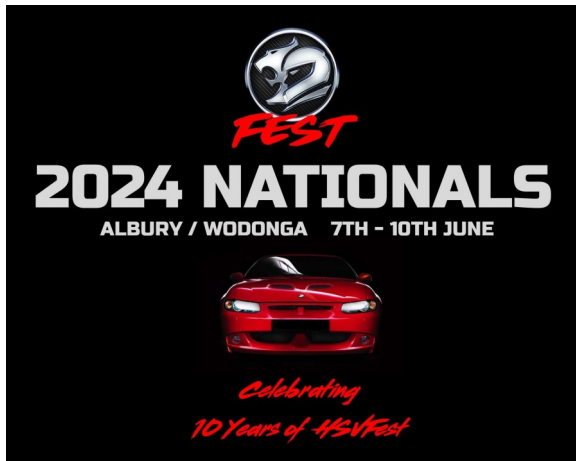

Paul Irvin

Club Run Etiquette

There is nothing better than sharing our love of cars with a group of likeminded enthusiasts out on the road, and we encourage all members to join us on our club runs. You can come along in any car, it doesn't need to be old, and it doesn't even need to be a Holden. It's about getting out as a group and enjoying each other's company, not about what we're driving.

However, there are a few simple protocols to ensure everyone has a good day...

- Always RSVP to the Run Coordinator and let them know if you change your mind. It's helpful to know how many are expected and saves the group waiting around for a no-show who's changed their mind.
- Listen to the pre-run briefing to get a basic understanding of the route and more importantly the destination. Blindly following the car in front is great - while they're there.
- If the weather forecast issued the night before a run is over 35 deg C, then the run will most likely be cancelled. Keep an eye on the App for any updates.
- Get to the departure point on time – or phone ahead if you're going to be late.
- Out on the road, work off the car behind, not the car in front. In other words, keep the car behind in your mirrors and adjust your speed accordingly. Don't try to catch up to the car ahead. This helps ensure the group stays together.
- Make sure the car behind has seen you when turning a corner - wait at the turn until the car indicates before continuing, then they will wait for the next car etc. Don't be concerned about losing contact with the car in front, as they should be looking out for you.
- Leave a reasonable gap between you and the car in front so that other motorists can overtake if they wish.
- If you're joining us on route, make sure the Run Coordinator knows of your pickup point to ensure we take that route. Also be ready to roll as the convoy approaches.
- We don't leave anyone stranded on the road - if you lose sight of the car behind, pull over and wait. If they don't appear, turn around to render assistance.
- Always follow the car in front. If you think they've taken a wrong turn then let's all take the wrong turn. It's better the club gets lost together than splits up in all directions – it also saves the person behind you having to make a split decision as to who they trust the most!
- Remember it's a club run, not a club race. If there's a tired old grey in front, so be it - enjoy it for what it is. Who cares if you're late in your 308.
- Generally, the return trip from the destination is up to you – but let the 'Run Coordinator' know when you're heading off.

Following these simple pointers will help ensure everybody has a good day – together!
