# President's Report October 2024

---

G'day everyone.

It's been a quiet month for me but our club has kept busy with events.

Well done to Meagan Turner on her huge effort organising the Games Night. From all reports it was a fantastic night. The Catering Committee did a great job. I am told they made the best hamburgers. I didn't get a chance to try one so I think we need to put it to a vote and have the caterers cook us all a burger. In all honesty well done to everyone who was involved in the day.

Justin has been on the case with the design and purchase of club display flags. The flags are ready for us to use and look amazing. I'm sure they will be on display at the meeting. Thanks Justin.

For members that remember Peter Waterson. I have had his HD wagon since he passed away and I've finally started working on getting it back on the road. Hopefully it won't be long now.

The year is running out pretty quickly our club calendar is full so get your cars out and enjoy what our great club has to offer.

Thanks everyone look forward to seeing you all on the next run.

Jeff Dickson  
President

## Games Night

The Club rooms were decked to the nines with palm trees, Hawaiian shirts, festive lights, tiny umbrellas, and a tiki bar. After a quick lei at the door, the games began.

Our first game was a hot wheels race on a wooden car track which Greg Turner so generously created. This game was an absolute hit with the kids and even more with the adults. We followed up the car racing with a game to find out our biggest tosser. I was overwhelmed with the interest in this game but everyone was very excited to have a go. It was a close game with Thomas Campbell and Greg Turner fighting for the title. We had to have a toss off to determine the winner. I can officially announce Thomas claimed the title of the "BIGGEST TOSSER". Thomas was very excited to win the Bunnings voucher.

Between the games we tested our trivia knowledge along with giving everyone several chances to flip a tile on the colour board for a chance to win prizes. Over the course of the evening everyone had a chance to enjoy competing against each other across the games tables.

Thank you to the catering committee for all your hard work and for putting on a feast. It was delicious!

I appreciate everyone's support in dressing up and getting in the Hawaiian spirit. Special mention to Little Oaklyn Millard and Thomas Campbell taking out best dressed.

Thank you to everyone who pitched in to help set up or pack up. Special thanks to Anne and Greg Turner for helping me make this night a success.

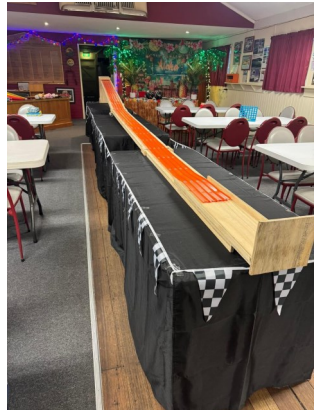

We hope this will be every year event. A night we can all come together as a club and enjoy each other's company, share some laughs and get to know each other better all while playing some fun games.

We hope to host the Club Games in June 2025 and we would love any help or suggestions to further improve on a great night.

Meagan Turner

## Out and About— September Red Dog Run

---

Despite some drizzling rain, many of the September Red Dog Run attendees arrived at Macca's, Lucas, in their 'oldies'. After the usual catch-up and chin-wag it was off to Brown Hill. By this time the drizzle had gone and several routes were taken to get to Murray Roger's shed for a visit and lunch. There was only a couple of minutes difference in travelling time on the different routes.

Arriving at the Roger's address it was a matter of 'What a shed it is!' Several of the vehicles in Murray's collection are low-mileage family vehicles, while some of the others are race or rally cars. Murray walked us through the vehicles describing whose vehicle it was, how many miles (in most cases) they had done and what, if any, restoration had been undertaken.

Over the bar was a TV screen and playing on the screen was Murray's crew's video of the '1988 PlayStation Round Australia Trial' (the last Round Australia Rally) in which Murray drove an early Commodore finishing a commendable 13th out of 65 entries. They covered 20,000 km in 21 days.

Murray started racing in 1984. Having teamed up with Jason Selman at the Ballarat Light Car Club Murray participated in the 2011 800km, three-day Alpine Rally of East Gippsland with Jason as his navigator. This rally was their seventh as a pairing. Murray still has the Toyota Rally Car and it is a restoration project. "He obviously trusts me to provide the right instructions and I trust him not to crash the car," Selmon said.

Murray's favourite piece of machinery, however, would appear to be his race simulator. He did a couple of laps around Bathurst and later showed us some rally driving skills, while we all watched the screen.

With a little help from Ray Drury, Catherine Rogers cooked the BBQ lunch.

Thanks to the Rogers for a great visit!

Neil Leckie

# Club Run Etiquette

---

There is nothing better than sharing our love of cars with a group of likeminded enthusiasts out on the road, and we encourage all members to join us on our club runs. You can come along in any car, it doesn't need to be old, and it doesn't even need to be a Holden. It's about getting out as a group and enjoying each other's company, not about what we're driving.

However, there are a few simple protocols to ensure everyone has a good day...

- Always RSVP to the Run Coordinator and let them know if you change your mind. It's helpful to know how many are expected and saves the group waiting around for a no-show who's changed their mind.
- Listen to the pre-run briefing to get a basic understanding of the route and more importantly the destination. Blindly following the car in front is great - while they're there.
- If the weather forecast issued the night before a run is over 35 deg C, then the run will most likely be cancelled. Keep an eye on the App for any updates.
- Get to the departure point on time – or phone ahead if you're going to be late.
- Out on the road, work off the car behind, not the car in front. In other words, keep the car behind in your mirrors and adjust your speed accordingly. Don't try to catch up to the car ahead. This helps ensure the group stays together.
- Make sure the car behind has seen you when turning a corner - wait at the turn until the car indicates before continuing, then they will wait for the next car etc. Don't be concerned about losing contact with the car in front, as they should be looking out for you.
- Leave a reasonable gap between you and the car in front so that other motorists can overtake if they wish.
- If you're joining us on route, make sure the Run Coordinator knows of your pickup point to ensure we take that route. Also be ready to roll as the convoy approaches.
- We don't leave anyone stranded on the road - if you lose sight of the car behind, pull over and wait. If they don't appear, turn around to render assistance.
- Always follow the car in front. If you think they've taken a wrong turn then let's all take the wrong turn. It's better the club gets lost together than splits up in all directions – it also saves the person behind you having to make a split decision as to who they trust the most!
- Remember it's a club run, not a club race. If there's a tired old grey in front, so be it - enjoy it for what it is. Who cares if you're late in your 308.
- Generally, the return trip from the destination is up to you – but let the 'Run Coordinator' know when you're heading off.

Following these simple pointers will help ensure everybody has a good day – together!
