President's Report April 2025

G'day everyone I hope everyone is doing well.

Firstly, I would like to thank Meagan T for arranging for the our club to run the BBQ for Bunnings staff. A big thank you to those members who volunteered to cook Graeme, Tash, Paul Irvin, Greg and Anne Turner.

Last month we had a few things on the go. The club run to Warnambool Show n' Shine was well attended. I led a group to the Wycheproof Car Show. Our vehicles and club members were well received by locals. The club flags looked amazing. Thanks Justin M for organising these for the club.

The next couple months are going to be busy. The April club run is to Maldon for lunch. The May club run will be to Lake Goldsmith, there will be a car boot sale combined with a working bee and last but not least a run to Talbot.

We are also talking about having a weekend away possibly in August. So get behind our club events. You only get out of the club what you put in.

We have a strong social club and it's because of all our members involvement.

Get your Holdens out while the sun is still shining.

Thanks

Jeff Dickson

Club Run March 2025

After a few scratchings on the day we managed to head off on time.

Leaving Smythesdale we had four members & four cars. Our first pit stop was at Lismore for a toilet & coffee break. We then had another quick stop at Derrinallum to pick up Sandra & Dennis. Back on the road with the phone ringing (hands free!) letting us know Peter & Helen were already at Mortlake, getting ahead of us to meet up with Anne, Ross & Greg at Lake Pertobe.

The group without me, parked their cars with the other club members. Meanwhile I did a U turn at the Lake Pertobe roundabout heading off to do my regularly visit to see Auntie Elly who is 97.5 years young.

On my return to the car show our members had taken up seating positions high up on their seats behind the cars. As usual we all made a closer inspection of the cars & enjoyed the coffee & sausage sizzle.

The temperature in Ballarat was forecast to be 32-34c, so the Warrnambool cloud cover was welcomed by all. The sun made it just in time for the trophy & raffle presentations. After missing out on the raffle prize (two tone blue FC 1/18 scale), it was time to head home at our own pace. A great day was had by all with donations to the Royal Children's Hospital.

Attendees: Sandra & Dennis FE, Peter & Helen HR, Ross & Anne FJ & HZ, John T HR, Greg B FC, Wayne B VR, Hendo VF & Paul I EH.
11 members & 9 cars.

Club Run Etiquette

There is nothing better than sharing our love of cars with a group of likeminded enthusiasts out on the road, and we encourage all members to join us on our club runs. You can come along in any car, it doesn't need to be old, and it doesn't even need to be a Holden. It's about getting out as a group and enjoying each other's company, not about what we're driving.

However, there are a few simple protocols to ensure everyone has a good day...

- Always RSVP to the Run Coordinator and let them know if you change your mind. It's helpful to know how many are expected and saves the group waiting around for a no-show who's changed their mind.
- Listen to the pre-run briefing to get a basic understanding of the route and more importantly the destination. Blindly following the car in front is great - while they're there.
- If the weather forecast issued the night before a run is over 35 deg C, then the run will most likely be cancelled. Keep an eye on the App for any updates.
- Get to the departure point on time – or phone ahead if you're going to be late.
- Out on the road, work off the car behind, not the car in front. In other words, keep the car behind in your mirrors and adjust your speed accordingly. Don't try to catch up to the car ahead. This helps ensure the group stays together.
- Make sure the car behind has seen you when turning a corner - wait at the turn until the car indicates before continuing, then they will wait for the next car etc. Don't be concerned about losing contact with the car in front, as they should be looking out for you.
- Leave a reasonable gap between you and the car in front so that other motorists can overtake if they wish.
- If you're joining us on route, make sure the Run Coordinator knows of your pickup point to ensure we take that route. Also be ready to roll as the convoy approaches.
- We don't leave anyone stranded on the road - if you lose sight of the car behind, pull over and wait. If they don't appear, turn around to render assistance.
- Always follow the car in front. If you think they've taken a wrong turn then let's all take the wrong turn. It's better the club gets lost together than splits up in all directions – it also saves the person behind you having to make a split decision as to who they trust the most!
- Remember it's a club run, not a club race. If there's a tired old grey in front, so be it - enjoy it for what it is. Who cares if you're late in your 308.
- Generally, the return trip from the destination is up to you – but let the 'Run Coordinator' know when you're heading off.

Following these simple pointers will help ensure everybody has a good day – together!
