# President's December 2025

---

G'day everyone!

Hasn't December come around quickly!  
What a year it been from the get go.

It has been a fantastic effort from our Run Committee and other members who have kept us busy with all the fantastic runs for 2025. These include our monthly runs, additional Saturday runs, Red Dog and Little Red Dog runs. Those Red Dog runs have made me jealous as I unfortunately have to work. Our Pub social nights are still proving to be popular. Thanks to Jude for keeping this monthly catch up alive. Lisa has kept us up to date with our newsletter and editing my mistakes. Thanks Lisa.

Our Christmas party is on **Sunday 14 December 2025** from **3pm**. This is always a fantastic day for our members to celebrate the festive season. This year the cost is **\$5 per head**. It represents fantastic value with the great meal providing by our catering committee. A reminder; Santa will be visiting. Ensure you have a wrapped book for your little ones to receive from Santa.

There will be opportunities to catch up in January 2026. Paul has arranged a get together on 6 January 2026, an Australia Day Breakfast and the Little and Red Dog runs are in the diary.

Merry Christmas to you and your families. Stay safe, enjoy the holiday season. Looking for seeing everyone in the 2026.

President

# November Club Run

---

We left the service station with sixteen members and nine cars travelling through Lucas, Haddon and Smythesdale. We picked up three more Members in Smythesdale before heading to Lismore. After a quick toilet break in Lismore and having four more members join us we headed to Camperdown.

Our drive included many speed restrictions to dodge potholes, the odd shower and a heavy shower as we pulled up to Camperdown. Once in Camperdown we were joined by Di and Mad Molly.

We headed to Laurie's collection of cars, motorbikes, trucks, signs and tractors. Some of the group choosing to drive to the shed which was to the back of the property. Once we had all had a chance to experience the large collection it was a no brainer to donate \$10 each to the Camperdown aged care home. Many photos were taken of the collection with Hunter taking out the chocolates for his photo in the open Truck. The group had started to get hungry so it was time for one quick look at Laurie's front shed full of all sorts of second-hand items for sale and head to lunch.

The Commercial Hotel Camperdown was our destination. We were welcomed with our own area set aside. There was a great selection of meals for us to enjoy, with some even ordering sweets. The Manager made sure we enjoyed our meals; we were happy to let her know it was a great lunch with helpful staff considering the Bistro only opened on Tuesday.

There was much chatter around the tables during lunch and we all slowly started to make our way home before the prediction of rain later in the afternoon. Most headed home but some of us needed a second fix at the other second-hand shop in the Camperdown main street!

Great Day for a Run with some rain along the way, but well worth a look at Laurie's collection with an enjoyable lunch to finish off the day. Our final numbers were twenty four members, fourteen cars and Mad Molly the Dog.

# Club Run Etiquette

---

There is nothing better than sharing our love of cars with a group of likeminded enthusiasts out on the road, and we encourage all members to join us on our club runs. You can come along in any car, it doesn't need to be old, and it doesn't even need to be a Holden. It's about getting out as a group and enjoying each other's company, not about what we're driving.

However, there are a few simple protocols to ensure everyone has a good day...

- Always RSVP to the Run Coordinator and let them know if you change your mind. It's helpful to know how many are expected and saves the group waiting around for a no-show who's changed their mind.
- Listen to the pre-run briefing to get a basic understanding of the route and more importantly the destination. Blindly following the car in front is great - while they're there.
- If the weather forecast issued the night before a run is over 35 deg C, then the run will most likely be cancelled. Keep an eye on the App for any updates.
- Get to the departure point on time – or phone ahead if you're going to be late.
- Out on the road, work off the car behind, not the car in front. In other words, keep the car behind in your mirrors and adjust your speed accordingly. Don't try to catch up to the car ahead. This helps ensure the group stays together.
- Make sure the car behind has seen you when turning a corner - wait at the turn until the car indicates before continuing, then they will wait for the next car etc. Don't be concerned about losing contact with the car in front, as they should be looking out for you.
- Leave a reasonable gap between you and the car in front so that other motorists can overtake if they wish.
- If you're joining us on route, make sure the Run Coordinator knows of your pickup point to ensure we take that route. Also be ready to roll as the convoy approaches.
- We don't leave anyone stranded on the road - if you lose sight of the car behind, pull over and wait. If they don't appear, turn around to render assistance.
- Always follow the car in front. If you think they've taken a wrong turn then let's all take the wrong turn. It's better the club gets lost together than splits up in all directions – it also saves the person behind you having to make a split decision as to who they trust the most!
- Remember it's a club run, not a club race. If there's a tired old grey in front, so be it - enjoy it for what it is. Who cares if you're late in your 308.
- Generally, the return trip from the destination is up to you – but let the 'Run Coordinator' know when you're heading off.

Following these simple pointers will help ensure everybody has a good day – together!
