President's February 2026

Welcome back everyone it feels like it been a long time between President Reports.

Unfortunately, as most of you would be aware club member Catherine Rogers (Murray's wife) recently passed away. The attendance of many club members at the funeral reflected the respect our membership had for Catherine.

Catherine knew many club members and had time for everyone. Fortunately for Sharelle and I Catherine had let us into her life, that friendship allowed us to love everything about her. That included her quirkiness, her funny side and loving side. Our weekend away to Charlton was almost completely organised by Catherine. She loved having everything in order. It was an absolute pleasure knowing Catherine and she is sadly missed. It's a pleasure being part of this fantastic club watching the support members have given Murray both before Catherine's passing and in the weeks afterwards. It instils the respect commitment we have to each other.

To those who didn't attend our Christmas party we announced the recipients of the Jane Johnstone Award and Top Club Person Award. The Jane Johnstone Award was presented to Jodie Cairns. This is well deserved, since Jodie joined our club she has given us her heart and soul. Attending and assisting at almost every event but more importantly really getting to know our members. If you have been on the receiving end of her conversations you will understand. Congratulations Jodie. Our Top Club Person Award was presented to John Turner. Since joining the Club John has been involved with almost everything. He has coordinated club runs, red dog runs and BBQs for the red doggers. John has also taken to running the bar like a natural. He's just an all-round ripper of a bloke. Well done John.

Congratulations to Major Neil Leckie on receiving an OAM in the Australian Day Awards to recognise his extensive volunteering across many organisations. Well done mate!

Congratulations to young Tom on getting his L plates! Watch out here he comes! Well done Tom.

January may be a very busy holiday month for many but we had great turn outs at our runs and catch ups. We had a great attendance at the Legacy Run. I don't normally have the chance to attend this event. It was an eye opener seeing what our members giving kids a ride around the lake. Our members get as much out of it as the kids. Well done to the members involved in this fantastic event. The January open night at the Club Rooms was very casual and it was great to catch up with those who were able to attend. Our Australia day event was quite the surprise with 31 people indicating attendance. On the day there were 46 cars and over 90 people attended. It gave the catering committee a heart attack! We slightly under catered but we certainly know for next year. Overall, it was a fantastic day with a of couple laps of the lake and then pulling up to spend a bit of time talking rubbish on the banks of Lake Wendouree.

This year our run committee have a great list of events for us all to enjoy.

Thank you all
Presidents Jeff Dickson

In Memoriam

The Committee and I would like to take the opportunity in this month's Front End to recognise a member of our Early Holden Car Club Community. Many of you would be aware of the passing of Catherine Rogers after a short but hard-fought battle as 2025 became 2026.

Catherine was a member of our Club along with her husband Murray. Catherine would be known to many of you as a smiling face at Club events and always willing to give a hand wherever it was needed. While Catherine was a wife, a doggie mum to Gracie and Quinn, a sibling, a daughter and a friend she was much more.

Catherine was an organiser she loved and relished the opportunity to take the reins and ensure everything ran-to-clock work; be it holidaying with Murray, organising Murray, ensuring everyone was fed at a rally event, or organising a social event. There was also her passion for shopping and ensuring an outfit had all the accessories. An outfit could be for the races or for a casual night out either way Catherine ensured she was put together. Let us always remember her sparkly runners! She was an enjoyer of a glass of bubbles, loved good tunes and to dance. Catherine loved her friends and was always willing to give advice to ensure you were living your best life.

Catherine and Murray loved their camping adventures, and particularly Charlton. I think we can safely say the Car Club has also enjoyed the Charlton experience because of that love of a little country town on a river.

As our sadness lifts, we can remember Catherine as we raise a glass of bubbles on a hot day and reminisce about the best times. Remembering those best times is what keeps those who are no longer here in our hearts.

Club Run Etiquette

There is nothing better than sharing our love of cars with a group of likeminded enthusiasts out on the road, and we encourage all members to join us on our club runs. You can come along in any car, it doesn't need to be old, and it doesn't even need to be a Holden. It's about getting out as a group and enjoying each other's company, not about what we're driving.

However, there are a few simple protocols to ensure everyone has a good day...

- Always RSVP to the Run Coordinator and let them know if you change your mind. It's helpful to know how many are expected and saves the group waiting around for a no-show who's changed their mind.
- Listen to the pre-run briefing to get a basic understanding of the route and more importantly the destination. Blindly following the car in front is great - while they're there.
- If the weather forecast issued the night before a run is over 35 deg C, then the run will most likely be cancelled. Keep an eye on the App for any updates.
- Get to the departure point on time – or phone ahead if you're going to be late.
- Out on the road, work off the car behind, not the car in front. In other words, keep the car behind in your mirrors and adjust your speed accordingly. Don't try to catch up to the car ahead. This helps ensure the group stays together.
- Make sure the car behind has seen you when turning a corner - wait at the turn until the car indicates before continuing, then they will wait for the next car etc. Don't be concerned about losing contact with the car in front, as they should be looking out for you.
- Leave a reasonable gap between you and the car in front so that other motorists can overtake if they wish.
- If you're joining us on route, make sure the Run Coordinator knows of your pickup point to ensure we take that route. Also be ready to roll as the convoy approaches.
- We don't leave anyone stranded on the road - if you lose sight of the car behind, pull over and wait. If they don't appear, turn around to render assistance.
- Always follow the car in front. If you think they've taken a wrong turn then let's all take the wrong turn. It's better the club gets lost together than splits up in all directions – it also saves the person behind you having to make a split decision as to who they trust the most!
- Remember it's a club run, not a club race. If there's a tired old grey in front, so be it - enjoy it for what it is. Who cares if you're late in your 308.
- Generally, the return trip from the destination is up to you – but let the 'Run Coordinator' know when you're heading off.

Following these simple pointers will help ensure everybody has a good day – together!
