President's June 2026

G'day everyone,
How good was our last meeting?

Ray the sign man showed us what he does and what he can do. He is such a nice bloke and his prices were fantastic. If anyone wants his number please come and see me.

Our working bee was a great success.
I called in to see if I could lend a hand but with the amount of volunteers they had everything under control. All the jobs were completed. It was fantastic to see the large number of club members had come along to lend a hand inside and out.

Our May run was another great day out.
The weather man was saying plenty of rain was on the way but we had a dry day. The Talbot Market was very quiet with the threat of rain but a great time was had, wondering around the street stalls. The Clunes pub put on a great meal and nice cold beer. Thanks Paul for another great day.

Please keep in mind our Christmas in July run is on Sunday 6 July 2026, before the July meeting so lock it in your diary. This will be a car rally exploring Ballarat, with a new twist this year. The rally will be followed by a roast lunch at the Royal Oak Hotel.

The June club run is something different and will be held on Sunday 14 June 2026. Paul will provide us with all the details.

Looking forward to seeing you on the next runs.
What a great club we have.
Thanks.

Club Rooms Working Bee

We had two main jobs to get through on our working bee day. Our jobs were to:

- Clean and organise the Merchandise Room
- Tidy the trees and shrubs outside

A good group of club members turned up to lend a hand.

We started with the Merchandise Room. We completely emptied the room, then washed down the walls and ceilings. Our last job was to sort the merchandise and then the job was done.

We then moved to the outside, starting with the trees being cut back, tidied up and removed. The next job was cutting back the bush from the road to the 4WD Club. We had one surprise when we discovered the cherry tree near the kitchen wall had been growing between the bearer and the bottom plate. So... no more cherry tree.

Thanks again to Adrian, Ken and Hendo for providing the trailer and trucks.

Also, thanks to - Jodie, Vicki, Grant, Dave, Ken, John, Joe, Adrain, Peter B, Peter S, Hendo, Norm, for a great job.

Until the next working bee.

Paul Irvin

Talbot Market & Clunes

The sky was threatening so it was time to leave the BP. Our first stop being a walk around the Talbot Market, hopefully finding the perfect trinket.

Jeff led the way out of Ballarat with Alan and Hendo joining us as we headed to Talbot.

We parking up the cars in the back streets of Talbot and headed off into the main street and the market to catch up to another eight members who had arrived before us. The stalls lining the streets had all variety of things for sale along with coffee and strawberries.

After the stroll around the market we were all getting hungry. We headed towards Clunes with Norm and Peter leading the way in the HD, taking us on a scenic drive towards the Clunes Pub.

Sorry about the big Pothole wasn't there two weeks ago!

It was time for a drink and a meal. There were many choices on the menu including roast lamb and pork. The roast being so popular it sold out! There was also room it fit banana fritters.

It was a day out, with the weather gods looking after thirty-nine members. Wipers were not required, even on the way home.

Club Run Etiquette

There is nothing better than sharing our love of cars with a group of likeminded enthusiasts out on the road, and we encourage all members to join us on our club runs. You can come along in any car, it doesn't need to be old, and it doesn't even need to be a Holden. It's about getting out as a group and enjoying each other's company, not about what we're driving.

However, there are a few simple protocols to ensure everyone has a good day...

- Always RSVP to the Run Coordinator and let them know if you change your mind. It's helpful to know how many are expected and saves the group waiting around for a no-show who's changed their mind.
- Listen to the pre-run briefing to get a basic understanding of the route and more importantly the destination. Blindly following the car in front is great - while they're there.
- If the weather forecast issued the night before a run is over 35 deg C, then the run will most likely be cancelled. Keep an eye on the App for any updates.
- Get to the departure point on time – or phone ahead if you're going to be late.
- Out on the road, work off the car behind, not the car in front. In other words, keep the car behind in your mirrors and adjust your speed accordingly. Don't try to catch up to the car ahead. This helps ensure the group stays together.
- Make sure the car behind has seen you when turning a corner - wait at the turn until the car indicates before continuing, then they will wait for the next car etc. Don't be concerned about losing contact with the car in front, as they should be looking out for you.
- Leave a reasonable gap between you and the car in front so that other motorists can overtake if they wish.
- If you're joining us on route, make sure the Run Coordinator knows of your pickup point to ensure we take that route. Also be ready to roll as the convoy approaches.
- We don't leave anyone stranded on the road - if you lose sight of the car behind, pull over and wait. If they don't appear, turn around to render assistance.
- Always follow the car in front. If you think they've taken a wrong turn then let's all take the wrong turn. It's better the club gets lost together than splits up in all directions – it also saves the person behind you having to make a split decision as to who they trust the most!
- Remember it's a club run, not a club race. If there's a tired old grey in front, so be it - enjoy it for what it is. Who cares if you're late in your 308.
- Generally, the return trip from the destination is up to you – but let the 'Run Coordinator' know when you're heading off.

Following these simple pointers will help ensure everybody has a good day – together!
