A man and a woman are standing in a modern kitchen, looking out a large window. The man is wearing a blue and white checkered shirt and jeans, and the woman is wearing a red long-sleeved shirt and jeans. They are both smiling and looking towards the right. The kitchen has a white countertop, a gold faucet, and a gold range hood. There are also some plants and a vase on the counter.

President's August 2026

G'day everyone,

What a cracker of a day for the Christmas in July Run. The car trial was bloody fantastic. I got to see parts of Ballarat I didn't know existed. The Royal Oak Hotel turned it on with fantastic food and cold drinks. Lots of time and effort went into organising this one. Well done and congratulations to the four organisers it was fantastic.

I'm guessing by now everyone knows it's our AGM tonight. All positions are vacant.

I would like to thank all the Committee members, each and everyone on the committee allows our club to be something special. Every second month they turn up for our Committee Meeting and put their thoughts forward on the running of the Club. From our Catering Committee, General Committee, New Membership Officer, Barman, Merchandise, AEHF delegate, Club Permit Officer, and Paul with his numerous positions. Sandra taking care of our finances. Pete N as my right hand man then Pete W taking care of the secretarial needs. All these committee members input and dedication makes our club the best one around. I appreciate each and every one of you. Thanks to Lisa Mitchell for taking care of our newsletter and fixing my President's report each and every month. To all of our members you all make this club a very special club. I absolutely love being apart of this club. Thank you all for letting me be the President.

President

Xmas In July

On Sunday 5 July 2026 we held our annual Christmas in July Car Trial which was enjoyed by all who attended.

This year, due to the fuel crisis, it was decided to keep the fun close to home.

The city was broken up into the North, South, East and West and participants were given a fun and historical adventure travelling around and exploring the four quarters of our beautiful city. The weather was fine with a bitterly cold wind, but this did not stop the fifty-seven eager participants from setting out in their fine automobiles (excluding Toyotas – Pete Wilmott!). Heating being a bonus if you were of the privileged. Meeting at the Mitchell Park BP, it was great to see an array of Christmas attire including Santa shirts and hats for the guys and a selection of gorgeous Christmas earrings to be jealous of amongst the ladies. It was awesome to see so many families including grandchildren this year, keen for the challenge ahead.

Once the rules of engagement and the run down were delivered by Justin, participants were given their question sheets and eagerly set off for their starting locations to smash out the answers to the 104 questions.

Three hours later everyone reconvened at the Royal Oak Hotel for lunch and an attack on the heater to warm enthusiastic bodies from the bitter cold.

Although the distances to achieve in the timeframe were a challenge, discussions were a plenty! It seems amongst the banter and toing and froing of “she can’t read a map” and “he doesn’t know his left from his right” there were visits to parts of this beautiful city that we didn’t know existed and history lessons that surprised us all – including for those who planned the event. The four of us had a fun time finding little gems around the city we thought might surprise! It was very hard to keep the number of questions down and we ended up culling to the 104 we thought would entertain nicely.

Knowing most would not complete the full four quarters, it was great to see everyone had a good attempt. Well done to everyone, you were impressive and we hope you had a great time and got a little something from the day. The following prize winners are to be congratulated! Great effort everyone it was all very close in the end!

1st Prize John Turner and Renata Johnson

2nd Prize Tim and Martina Davies

3rd Prize Jim and Michelle Hare

Wooden Spoon but a great effort to “Son of Wal Wal”

Best dressed was John Turner with his envious Christmas shirt and Santa hat.

Xmas in July

This year's prize winners received a framed certificate and a fabulous box of Lego to continue the challenge of the day. Many thanks to Lisa for her creativity in choosing the prizes and her design skills with the certificates. Also, for her amazing decorating skills and Christmas collection to add to the vibe of the day. Her decorations were an inspiration to us all and our tables and surrounds looked fabulous.

From the four of us – thank you so much for attending this event. It is one we love to plan for you all and we very much look forward to next years exciting destination.

Yours in adventuring
Suzanne and Mark, Lisa & Justin

Club Run Etiquette

There is nothing better than sharing our love of cars with a group of likeminded enthusiasts out on the road, and we encourage all members to join us on our club runs. You can come along in any car, it doesn't need to be old, and it doesn't even need to be a Holden. It's about getting out as a group and enjoying each other's company, not about what we're driving.

However, there are a few simple protocols to ensure everyone has a good day...

- Always RSVP to the Run Coordinator and let them know if you change your mind. It's helpful to know how many are expected and saves the group waiting around for a no-show who's changed their mind.
- Listen to the pre-run briefing to get a basic understanding of the route and more importantly the destination. Blindly following the car in front is great - while they're there.
- If the weather forecast issued the night before a run is over 35 deg C, then the run will most likely be cancelled. Keep an eye on the App for any updates.
- Get to the departure point on time – or phone ahead if you're going to be late.
- Out on the road, work off the car behind, not the car in front. In other words, keep the car behind in your mirrors and adjust your speed accordingly. Don't try to catch up to the car ahead. This helps ensure the group stays together.
- Make sure the car behind has seen you when turning a corner - wait at the turn until the car indicates before continuing, then they will wait for the next car etc. Don't be concerned about losing contact with the car in front, as they should be looking out for you.
- Leave a reasonable gap between you and the car in front so that other motorists can overtake if they wish.
- If you're joining us on route, make sure the Run Coordinator knows of your pickup point to ensure we take that route. Also be ready to roll as the convoy approaches.
- We don't leave anyone stranded on the road - if you lose sight of the car behind, pull over and wait. If they don't appear, turn around to render assistance.
- Always follow the car in front. If you think they've taken a wrong turn then let's all take the wrong turn. It's better the club gets lost together than splits up in all directions – it also saves the person behind you having to make a split decision as to who they trust the most!
- Remember it's a club run, not a club race. If there's a tired old grey in front, so be it - enjoy it for what it is. Who cares if you're late in your 308.
- Generally, the return trip from the destination is up to you – but let the 'Run Coordinator' know when you're heading off.

Following these simple pointers will help ensure everybody has a good day – together!
