President's October 2026

G'day everyone.

October has been a very busy month. I hope you had a chance to get out and enjoy our events,

First cab of the rank was Ladies Day High Tea. It was a brilliant idea. It looked like the ladies had a great day. Us fellas chauffeured the ladies to a destination; the Lal Lal Community Hall. We took a sneaky look inside. The ladies had done a brilliant job tarting up the hall and all the ladies looked fantastic. The fellas left the ladies to it and headed to the Wallace Hotel for lunch. It was fantastic just to sit with the guys and talk crap for a few hours. A great day all round. Well done ladies and looking forward to next year's idea.

It looked like the crew who headed to Adelaide for the Bay to Birdwood event had a safe and great time. It is great event if you have a chace to attend.

Our club social nights are always a great night. Thanks Jude for always organising this monthly event.

We also had our Memorial Day. This I believe is the most important run of the year. We remember our members who have passed. Unfortunately, this list continues to grow. This year we honoured Catherine Rogers, for me this was a very personal loss. As a club it has been fantastic to see the support given to Murray.

As members we join a club thinking it's all about our cars. Yes it is but more importantly it's about the friendships we make. I personally have made many of life long friendships with people I would have never crossed paths with. I'm sure many of you have made friendships with other members as well.

This month we have another full calendar. So get your cars out and enjoy each other. Some of our members cars I've never seen, it a great opportunity to get them out.

Christmas is almost here.

Thank everyone for your suport of the Club.

President
Jeff Dickson

Ladies Day High Tea

Over 20 ladies of the club came together on Sunday 11 October 2026 for our first Ladies Day. It was a chance to get together, enjoy each other's company, wear pink, savor a sparkling wine, play a few games and enjoy the high tea.

The day started with the gentlemen taking the ladies on a scenic drive to the venue at Lal Lal Community Hall to enjoy high tea. The gentlemen headed off to lunch at the Wallace Pub with instruction to return to Lal Lal a few hours later.

The hall had been decorated to the pink theme and waiting was a lovely spread to enjoy. Thanks to Sue and her volunteers for a delicious and tasty selection for us to enjoy.

Renata led the games with laughs enjoyed by all. There were prizes for best dressed, winning and participating in games. Everyone won a prize!

While the drinks flowed dessert arrived. Again a feast of options for us to enjoy.

After a leisurely lunch and car chat at the pub the gentlemen joined us to finish up the day.

The afternoon had been instigated by much discussion about the women of the Club coming together. Much of this conversation centred on our chats about Catherine enjoying the club before her untimely passing earlier this year. We honoured Catherine with a candle and a glass of sparkling.

Jodie, Renata and I would like to thank everyone for their support of our first Ladies and we are looking forward to the event next year.

I would like to particularly thank Jodie for all her hard work organising the hall and catering. A big job well done. Also thanks to Renata for taking charge of the games, music and making sure we all had fun. Another big shout out to Vicki for sourcing gift vouchers for us.

Until next year!
Lisa M

Ladies Day High Tea

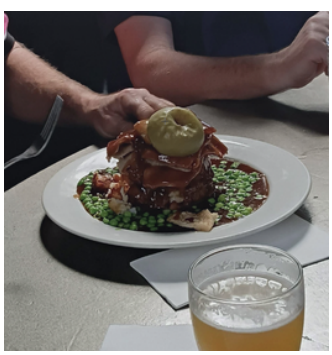

Memorial Run

We started our Memorial Day run by heading off from the Mitchell Park BP using the roads with the least potholes. Our journey took us along Coghill's Creek road, passed Winery Lesters road towards Clunes. The group parked and we enjoyed a coffee and chat in the main street.

Hendo being head navigator from Clunes to Murray's house. We drove through Kingston, Scrub Hill, Dean and on to the Daylesford Rd at Brown Hill.

We arrived at Murray's place joining those helping with the catering and friends who had arrived before us. Before we knew it was time to cook the BBQ and then enjoy lunch.

After lunch Jeff spoke about those members who are no longer with us. Jeff reflected on the passing of Catherine who we lost earlier this year. We concluded with a minute of silence followed by a one of Catherine's favourite songs. After more chatting and enjoying dessert people started to slowly head off.

Thanks to Murray for hosting, those who provided the salads and desserts to share and all those who helped on the day.
It was a meaningful day of friendship and remembrance.

Memorial Run

Bay to Birdwood

Friday

We had a 7.30am start in Beaufort with our group of eight members and five cars. A little early for some! Sarah enjoyed a nice nap in the EH. Horsham was the first stop for some of us to fuel up and for others needing breakfast. Bordertown provided a break from the drive with the bonus of lunch and another fuel stop. The Bend was our last stop before heading into Adelaide. It was an adventure as we headed across Adelaide to the Links Hotel. We all contended with the traffic, lane changes and google maps providing different directions. We all enjoyed an early dinner and the early to bed after the big drive.

Saturday

We all headed off to explore the city. There were cars to wash and fuel, cousins to visit for lunch and shopping. John and I took our annual visit to Little Ben's Wrecking Yard to pick up more parts for the VX. We asked the question - there were no EH or HR Parts in stock. As usual we found another enthusiast heading to the B to B. Paul was from Tasmania and heading to the B to B with this family in a 1956 Morris Oxford. They had travelled Victoria via Great Ocean Road to Adelaide to enjoy the sea to ocean drive to participate. Everyone returned to the hotel in time for a refreshing beer and to watch for a Beer and watch Kingswood win the Caufield Cup. After dinner it was an early night to prepare for 6.45am start.

Bay to Birdwood

Sunday

The 5.30am alarm gave us lots of time to pack the cars and head to the Barrett Reserve. We enjoyed breakfast and strolling around the 1495 cars participating in the drive. We headed out on to drive the 70 km to Birdwood with an estimated 100,000 people waving from the side of the road all the way to our destination. Once we arrived at Birdwood there was another chance to admire the vehicles that drove up the hill, along with the one hundred 100 special vehicles on the lawn. There was also a nice collection of fifties police vehicles and late seventies ambulances and a twenties ambulance motor bike with side car box for race car recovery. The heat of the day started to take its toll. To beat the last of the heat we headed off on the50 Km run to Murray Bridge. We settled in for our last night and caught the chauffeur to the pub for dinner. We enjoyed a great meal and dessert. After our chauffeur driven trip back to the motel, we enjoyed a chat about the enjoyable weekend and world affairs. It was then time for a good sleep in preparation for the drive home on Monday.

Monday

It was another early start. Before heading off after we made a tentative booking at the motel for 2027. We all fuelled up to start the journey home. We left Michael and Jodie to catch up to more cousins while we headed on to the highway and back to Ballarat. We had the usual stops for food and fuel and before we knew it, we were finally home to our own beds.

It was a great run with good weather and company. Sad to say the EH's lost the fuel economy run to the HR's, there is always next year.

Club Run Etiquette

There is nothing better than sharingourlove of cars with a group of likeminded enthusiasts out on the road, and we encourage all members to join us on our club runs. You can come along in any car, it doesn't need to be old, and it doesn't even need to be a Holden. It's about getting out as a group and enjoying each other's company, not about what we're driving.

However, there are a few simple protocols to ensure everyone has a good day…

- Always RSVP to the Run Coordinator and let them know if you change your mind. It's helpful to know how many are expected and saves the group waiting around for a no-show who's changed their mind.
- Listen to the pre-run briefing to get a basic understanding of the route and more importantly the destination. Blindly following the car in front is great - while they're there.
- If the weather forecast issued the night before a run is over 35 deg C, then the run will most likely be cancelled. Keep an eye on the App for any updates.
- Get to the departure point on time – or phone ahead if you're going to be late.
- Out on the road, work off the car behind, not the car in front. In other words, keep the car behind in your mirrors and adjust your speed accordingly. Don't try to catch up to the car ahead. This helps ensure the group stays together.
- Make sure the car behind has seen you when turning a corner - wait at the turn until the car indicates before continuing, then they will wait for the next car etc. Don't be concerned about losing contact with the car in front, as they should be looking out for you.
- Leave a reasonable gap between you and the car in front so that other motorists can overtake if they wish.
- If you're joining us on route, make sure the Run Coordinator knows of your pickup point to ensure we take that route. Also be ready to roll as the convoy approaches.
- We don't leave anyone stranded on the road - if you lose sight of the car behind, pull over and wait. If they don't appear, turn around to render assistance.
- Always follow the car in front. If you think they've taken a wrong turn then let's all take the wrong turn. It's better the club gets lost together than splits up in all directions – it also saves the person behind you having to make a split decision as to who they trust the most!
- Remember it's a club run, not a club race. If there's a tired old grey in front, so be it - enjoy it for what it is. Who cares if you're late in your 308.
- Generally, the return trip from the destination is up to you – but let the 'Run Coordinator' know when you're heading off.

Following these simple pointers will help ensure everybody has a good day – together!
